

TURNING IDEAS INTO REALITY

Did an idea pop into your head during this unit? Do you want to create something based on what you learned? Do you want to make a difference and be proud of your creation? If so, this project-based assessment will be perfect for you to share your knowledge with your instructor and the peers in your class.

Describe what you want to do in the box below.

Why is this project important to you?

Create a SMART Goal for this project.
